Marvin T. Tollefson, Jr., Pastor

March 25, 1991

Dear Members of Christ Lutheran,

As Chairman of the Youth Committee, I would like to let you know that the Youth Program at Christ Lutheran is "alive and well." While it was difficult for all of us to accept Pastor Nicki's resignation, she and the other wonderful people who serve on the committee, have planned for the future of this program and we expect that it will remain a viable and very important ministry of the church. It is important that you know who these people are so that you might come to them with any questions or suggestions which you might have for the program. The committee members include: Linda Martin, Mark Weaver, Fred Tietz, Carole Klein, Eric Tietz and Robin Talley.

Pastor Nicki will continue to work with the Senior High Youth through the Dallas Gathering in July. Their League meetings will be held as usual and she will be coordinating those programs with their Sunday School programs. There are fifteen youth and two adults from our church who will be going to Dallas and several fund-raisers have been planned to support their trip. The Shrove Tuesday Pancake Supper was supported by many of you and was a big success. We're hoping that even more of you will support our car wash which is scheduled for March 30, 1991, and a yard sale which is scheduled for April 27, 1991.

Pastor Marv, Pastor Nicki and I have met to discuss how to provide a smooth transition for the confirmation class, especially for those eighth-graders who are scheduled to be confirmed this spring. Pastor Marv has already spent an extended period of time getting to know these children and has begun the final preparation for their confirmation. There are six students who will be confirmed during the service on June 9, 1991. In the meantime, they will continue to meet with Pastor Marv twice a month and their scheduled social and service activities will continue as planned.

We are fortunate to have as a member of our congregation, Laurie Andersen, who is a full time seminary student. She has been teaching the confirmation class in Sunday School this year and has a very good relationship with these students. She has agreed to take on some additional responsibilities for the youth program which will be a tremendous help for all of us during this time while we are looking to and planning for the future.

We have an outstanding group of young people in our congregation and I have enjoyed working with them. I know that they join me in thanking you for your support of this youth program. Please feel free to call me with questions or suggestions regarding the program.

Yours in Christ,

Karen Johnson
